

300b Status Report – Seabrook Station

1. SEOC Report No.:			2. Prepared By:			3. Date & Time Posted:							
4. Seabrook Station has declared a(n): a. <input type="checkbox"/> Unusual Event b. <input type="checkbox"/> Alert At _____ hours; c. <input type="checkbox"/> Site Area Emergency d. <input type="checkbox"/> General Emergency Due to EAL _____			5. The Plant Status is: a. <input type="checkbox"/> Online b. <input type="checkbox"/> Shut Down			6. A radiological release due to this event: a. <input type="checkbox"/> Has not occurred b. <input type="checkbox"/> Has occurred and is continuing c. <input type="checkbox"/> Has occurred but has been terminated							
7. Present Meteorological Conditions: a. Wind Speed _____ mph b. Wind Direction (from) _____ degrees			8. Extended Weather Forecast:										
9. The State Emergency Operations Center (SEOC) is at: a. <input type="checkbox"/> Steady State c. <input type="checkbox"/> Partial Activation b. <input type="checkbox"/> Enhanced Monitoring d. <input type="checkbox"/> Full Activation			10. The Emergency Operations Facility (EOF) is: a. <input type="checkbox"/> Staffed b. <input type="checkbox"/> Not Staffed			11. The Incident Field Office (IFO) is: a. <input type="checkbox"/> Staffed b. <input type="checkbox"/> Not Staffed							
12. The Joint Information Center (JIC) is: a. <input type="checkbox"/> Not Staffed b. <input type="checkbox"/> Staffed		13. The SEOC has communicated with: a. <input type="checkbox"/> Seabrook Station d. <input type="checkbox"/> FEMA g. <input type="checkbox"/> PNSY b. <input type="checkbox"/> Massachusetts e. <input type="checkbox"/> New England Compact for Radiological Health h. <input type="checkbox"/> Other c. <input type="checkbox"/> Maine f. <input type="checkbox"/> FRMAC i. <input type="checkbox"/> Other											
14. The Governor declared a State of Emergency: a. <input type="checkbox"/> No b. <input type="checkbox"/> Yes Date: _____		15. Activate the State Transportation Staging Area (STSA): a. <input type="checkbox"/> No b. <input type="checkbox"/> Yes		16. Activate Reception Center(s): <input type="checkbox"/> No <input type="checkbox"/> Yes a. <input type="checkbox"/> Dover Middle School c. <input type="checkbox"/> Rochester Middle School b. <input type="checkbox"/> Manchester Memorial High School d. <input type="checkbox"/> Other:									
17. There has been a change in the precautionary or protective action recommendations: a. <input type="checkbox"/> No b. <input type="checkbox"/> Yes						18. a. Sirens to be sounded at: _____ b. EAS to be initiated at: _____							
19. The following Precautionary/Protective Actions are recommended:													
	General Population			Traffic Control		Schools/Childcare				Authorize KI		Healthcare/Nursing Homes	
	1. Shelter in Place Release	2. Shelter in Place HAB	3. Evacuate	4. Deploy	5. Implement	6. Cancel After School Activities	7. Early Release	8. Shelter in Place	9. Transfer to Reception Center	10. Emergency Workers	11. General Population	12. Shelter In Place	13. Evacuate
a. Seabrook ^A													
b. Hampton Falls ^A													
c. Kensington ^C													
d. South Hampton ^C													
e. Hampton ^D													
f. North Hampton ^D													
g. Brentwood ^F													
h. East Kingston ^F													
i. Exeter ^F													
j. Newfields ^F													
k. Newton ^F													
l. Kingston ^F													
m. Greenland ^G													
n. Stratham ^G													
o. Rye ^G													
p. New Castle ^G													
q. Portsmouth ^G													
20. Additional Precautionary/Protective Action Recommendations: a. <input type="checkbox"/> None b. <input type="checkbox"/> As Follows: 1. <input type="checkbox"/> Close STATE parks, recreational areas, and beaches in EPZ 2. <input type="checkbox"/> Recommend close LOCAL parks, recreation areas, and beaches in EPZ 3. <input type="checkbox"/> Establish 10-mile Marine Safety Zone around Seabrook Station 4. <input type="checkbox"/> Establish 10-mile, 10,000 ft. high No Fly Zone around Seabrook Station 5. <input type="checkbox"/> Restrict Railway Travel through EPZ 6. <input type="checkbox"/> Livestock Advisory throughout EPZ: a. <input type="checkbox"/> Cover Feed and Water Sources b. <input type="checkbox"/> Shelter Livestock as possible 7. <input type="checkbox"/> Drinking Water Advisory 8. <input type="checkbox"/> Other: 9. <input type="checkbox"/> Other:						21. Additional Information:							

NH 300b Instructions		
Box	Field	Description
1	SEOC Report Number	Chronological 3 digit number determined by SEOC Operations. i.e. 001. Each time a new report is generated, the next number is assigned to the report. This field is auto-populated on the WebEOC board.
2	Prepared By	Name of the SEOC Operations person who is filling out the report. This field is auto-populated on WebEOC using the logged in staff's name.
3	Date & Time Posted	Date/time stamp when report is complete and posted. This should be the last box filled out.
4	Seabrook Station has declared a(n):	From Utility - Emergency Classification Level - UE, Alert, SAE, GE; at time and EAL.
5	The Plant Status	From Utility - Status of Plant Operations.
6	Radiological Release Conditions	From Utility - has a release occurred or not.
7	Present Meteorological Conditions	Current meteorological conditions from the EOF (wind speed and from direction).
8	Extended Weather Forecast	Extended weather forecast from NWS.
9	SEOC Status	Indicate current status of SEOC - steady state, enhanced monitoring, partial or full. Determined by SEOC Manager.
10	EOF Status	Indicate Status of EOF - if it is staffed or not.
11	IFO Status	Indicate Status of IFO - if it is staffed or not.
12	JIC Status	Indicate Status of JIC - if it is staffed or not.
13	SEOC Communications	Entities the SEOC has communicated with about the event.
14	State of Emergency	Has the Governor of NH declared a State of Emergency - yes or no. If yes, what date.
15	Activate the STSA	Activate and staff STSA - yes or no
16	Reception Centers	Has the Reception Centers been activated - yes or no. If yes, which ones.
17	Change in Precautionary/Protective Action Recommendations	Check yes or no if there are recommended actions from the SEOC.
18	Sirens & EAS	Time Sirens and EAS will be sent out. Determined by Decision Makers. Sirens occur three minutes prior to EAS message. Required every time there is an update to a protective action.
19	Precautionary/Protective Action Recommendations	
	a-q. List of Towns in EPZ by ERPA	EPZ towns listed by ERPA
	1. General Population - Shelter In Place – Release	Remain inside, close doors/windows, turn off ventilation systems, seal off access to outdoor air.
	2. General Population - Shelter in Place – HAB	Shelter in place, not requiring steps to prevent access to outdoor air.
	3. General Population - Evacuate	Evacuate out of area if PAG is 1 rem TEDE and normal conditions. 5 rem TEDE when special situations such as severe weather, evacuation impediments, competing disasters, etc.
	4. Traffic Control – Deploy	Deploy traffic control supplies and equipment to pre-identified locations for staging.
	5. Traffic Control – Implement	Implement traffic control procedures and activities. Staff TCP/ACP.
	6. Schools/Childcare – Cancel After School Activities	Cancel all after school activities scheduled to take place.
	7. Schools/Childcare – Early Release	Follow established early release protocols and procedures for an early release as in snow storm or regular early release day.
	8. Schools/Childcare – Shelter in Place	Remain inside, close doors/windows, turn off ventilation systems, seal off access to outdoor air.
	9. Schools/Childcare – Transfer to Reception Center	If students are released from schools AFTER a release that may have affected the area where they live, students will be treated as evacuees and report to the appropriate reception centers for monitoring and/or decontamination.
	10. Authorize KI – Emergency Workers	If release occurred, and projected thyroid dose is over 5 REM. If in possession of KI, should consider taking it. Decision to take KI is up to individual.
	11. Authorize KI – General Population	If release occurred, and projected thyroid dose is over 5 REM. If in possession of KI, should consider taking it. Decision to take KI is up to individual.
	12. Healthcare/Nursing Homes – Shelter in Place	Remain inside, close doors/windows, turn off ventilation systems, seal off access to outdoor air.
	13. Healthcare/Nursing Homes – Evacuate	Evacuate residents to host facility when PAG is 5 rem TEDE and normal conditions. 10 rem TEDE when special situations such as severe weather, evacuation impediments, competing disasters, etc.
20	Additional Precautionary/Protective Action Recommendations	
	a. None	Checked if no additional actions recommended.
	b. As Follows:	Check if other boxes below are checked for additional recommendations.
	1. Close STATE parks, recreational areas, and beaches in EPZ	State beaches and recreational facilities are closed and cleared.
	2. Recommend close LOCAL parks, recreation areas, and beaches in EPZ	Local recreational facilities are recommended to close and clear.
	3. Establish 10-mile Marine Safety Zone around Seabrook Station	Restrict marine vessels around the utility.
	4. Establish 10-mile, 10,000 ft. high No-Fly Zone around Seabrook Station	Restrict aviation around the utility.
	5. Restrict Railway Travel through EPZ	Rail service through EPZ is halted at point of origination. Coordinate with Maine and Massachusetts.
	6. Livestock Advisory throughout EPZ:	Checked if any below livestock advisories are recommended.
	a. Cover Feed and Water Sources	Place dairy animals on stored feed and protected water.
	b. Shelter Livestock as possible	Shelter all animals, including cows, swine, sheep and poultry.
	7. Drinking Water Advisory	Checked if water advisory is issued. Specific advisory information will be in Box 21.
	8. Other:	Other additional protective actions.
	9. Other:	Other additional protective actions.
21	Additional Information	Information shown in dropdown will be populated into the report. This information is the initiating conditions that are depended on the EAL chosen in block 4. Free text field for any additional information or clarification.
